

2022 Lake View Athletic Association Baseball/Softball & Soccer Sponsorship Information Package

Dear Valued Community Business Member:

First and foremost, the Lake View Athletic Association would like to reach out in hopes that you, your families, and businesses are well at this time. Secondly, we want to thank our previous sponsors for their past support. You have contributed greatly to the development of our Lake View youth who take part in our programs. Lastly, we are reaching out to ask for your financial support in helping with this year's programs.

We are planning to run a COVID safe program for the children of our community. We know this is a difficult time for all of us, especially for our community small businesses. Fortunately, thanks to businesses like yours we were able to run our traditional program last year. This year we plan to again run a full program for our baseball, softball, and soccer programs. We serve the children of Lake View, Hamburg, Derby, Blasdell and other surrounding areas, and we are looking to you, our friends and neighbors of our community, to help us support and sponsor the Lake View Athletic Association. LVAA is proud to serve approximately 1,500 families and offers baseball, softball and soccer to boys and girls ages 4 - 17. Our players focus on learning fundamentals, good sportsmanship and teamwork in a competitive and instructional environment. LVAA's dedicated coaches and other volunteers strive to provide an enriching experience for every child in a fun and safe environment.

Although membership dues support a large portion of our annual operating cost, your sponsorship plays a vital role in LVAA's financial wellbeing. We could not continue to provide the types of programs to the children of our community without your financial support. **Every dollar of your generous sponsorship goes back into our program providing uniforms, equipment, and awards for our players.**

LVAA offers a number of sponsorship opportunities to interested companies, business, and individuals. League Sponsors and Team Sponsors are guaranteed a number of exclusive benefits intended to increase visibility and exposure to members of the association and of the surrounding communities. With our current economic situation, being a sponsor with LVAA is a great value during these times. Not only is it an affordable way to advertise your business, you will also receive a tax deduction and help our youth along the way.

If you have any questions, need any further information, or you would like to coordinate payment, please do not hesitate to contact us.
